

Success Factor Acoustics – More is less

Reality:

**Office with
12 staff:
51** dB(A) *

**Office with
2 staff:
56** dB(A) *

+++ Office with 12 staff is 70% less noisy than a 2-person office +++ Reduction of speech intelligibility leads to a quieter work situation +++ The acceptable maximum noise level for predominantly intellectual tasks lies at 50-55 dB(A)** +++
